FIRST AID COURSE

WITH PARTICULAR EMPHASIS ON EQUINE EMERGENCY SITUATIONS

on Saturday February 18th

at Lloyd Farm, Hales, Nr Market Drayton, TF9 2PS

9.30am - 4.30pm

Between £10.00 or £15.00 (£10 if a full house of 50)

How would you feel if you were out on a hack with your best friend and quite out of the blue a situation occurred that required you to administer First Aid.

Would you know what to do and more importantly how to prioritise your actions.

Knowledge of First Aid is not just a requirement for those that compete, it is a moral responsibility for everyone around horses, who, much as we love them are unpredictable animals.

The course offers comprehensive training including practical sessions covering most emergency situations that might well occur around horses. For further details of the course content go to www.estraining.co.uk and click on equine specific first aid.

South Cheshire RC is offering this course at a reasonable rate with the support of the Area 20 training grant. The figures do depend on 50 applications. If there are more than that number then we will run it on Saturday 25th February as well (please specify on application form if you are unable to make one of the dates).

Fee enclosed

Date of course

NB Dress up in warm clothing ideally with waterproof trousers. This venue is a large indoor school and you will almost certainly have to kneel down for some of the practical sessions. **Bring a chair.**

Tea and coffee will be provided but bring your own packed lunch and snacks.

Applications by post with fee to:- Shirley Cadwallader, Spoonley Farm, Market Drayton, Shropshire TF9 3SR. Cheques made payable to South Cheshire RC.

Closing date for application 15th January 2012
